The 2nd Annual Cardboard Boat Regatta was a ship-shape success! The Porter Youth Center graciously joined us at the Naval Post-Graduate School's Roman Plunge pool for the competition in which teens raced handmade cardboard boats against each other. Certificates were awarded for fastest time, flashiest design, and most epic sinking!

PROGRAM BUZZ

We are happy to keep the energy going as we head into another school year! This school year we will be adding a monthly programming calendar in addition to the Newsletter to display our daily activities in addition to our special events or program offerings!

First Teen Night of the new school year - lots of new faces and old friends.

One of our summer activities was Water Day, where the teens got to cool off in a big way.

The 1st heat at our regatta! Congrats to all our boat builders and racers! Thank you to all Parents and attendees for cheering our teens on!

TRANSITION SUPPORT

Our network is here to help you connect with the teen centers at your next duty station, and our School Liaison is ready to provide you with all the necessary information and support regarding the local schools at your new location.

Please let us know which base or city you plan to live in, and we will initiate a conversation and introduce you to the dedicated youth professionals who will continue to support your family after you leave our center!

CHARACTER FOCUS

TEEN OF THE MONTH:

We are celebrating Lily T. as the Teen of the Month here at the Tech Connect! Lily has such great energy whenever she comes in the center - people gravitate naturally towards her smile and laugh. She is an unbeatable friend to those who know her and is kind to those she's just met. We can tell she is the sort of person who empathizes and connects with others easily & we know we can look forward to a fun time when she joins us.

QUOTE OF THE MONTH

Caring - about people, about things, about life - is an act of maturity.

- TRACY MCMILLAN
